I soon found myself much better; but, after some months and after indulging imprudently in eating, I again suffered from my old enemy—'indigestion.' I sent to Louisville and got a boz. Finding great relief from this I got another, which certainly proved my confidence in the medicine. I grew so much better that I now only take them when I find I need them; but if I am imprudent in eating I find nothing better than these Tabules. Being a teacher, I lead a sedentary life, so that oftentines I find myself billious and feeling heavy and dull; then I avail myself of the good effects of Ripans Tabules.
